## 1. Introduction

Veco Group AG and any of its affiliates («VecoGroup», «Vecoinvest», «VecoFamily» «Veco Middle East», «FiduciaTrustees», "we") appreciates highly your visit to this website and your interest in our services and products. Your privacy is important to us and we want you to feel comfortable visiting our website. It is a major concern for Veco Group AG that your personal data is treated in a responsible manner and in compliance with legal requirements. To this end, we take a number of precautions, such as implementing robust technical and organizational security measures (e.g., password encryptions, firewalls, authentication technologies, access management, employee awareness-raising and training, appointment of a Data Protection Officer (DPO)).

On this page you can learn everything about the use of cookies on Veco Group AG websites. Please also consult and read our Terms and Conditions of Use as well as our Data Privacy Policy for further information.

In questa pagina Le forniamo tutte le informazioni rilevanti con riferimento all'uso dei cookie relativo ai siti internet Veco Group AG. Per maggiori informazioni La invitiamo a consultare anche le nostre Condizioni d'Uso e la Privacy Policy.

## 2. What are cookies?

Cookies are little pieces of data that are stored in a small text file on your computer or mobile device when you visit a website. They allow web developers to build websites that are user friendly, secure and effective. Some cookies are only persistent during your session on the website, others are used to store your settings and preferences when you switch between websites or allow data about the usage of a website to be collected for statistical purposes.

## 3. What types of cookies do we use?

To make your experience on our websites as interactive, relevant and secure as possible we use cookies and similar technologies such as pixels, web beacons or device fingerprints on all our websites. The technologies employed can be distinguished between the following categories:

### 3.1. Functional Cookies

These cookies are required for the basic functions of our websites. They make it easier for you to access content. Among other things, we use these cookies to store your domicile and language settings. Functional cookies cannot be deactivated.

### 3.2. Analytics Cookies

These cookies enable us to analyze and improve our websites to provide a user experience based service.

## 4. What type of analytics do we use?

On our websites we use various web analytics services from third parties.

The information obtained by these third parties does not link to your personal information. The following types of anonymized information is collected by these systems, in particular:

- Client host name or masked IP of the accessing device;
- the URL directing visitors from and to Veco Group websites;
- the time of the visit;
- browser types and versions;
- brand of devices or operating systems; and
- other device specific information, such as screen sizes.

## 5. How you can control cookies and withdraw your consent?

### Customize cookie settings

Additionally, you can limit the usage of cookies for our websites by adjusting the settings of your browser software accordingly. Depending on your browser, you can set a warning before you accept cookies, or set refuse as default.

Please refer to the “help” button (or similar) on your browser to learn more. Unwanted preexisting cookies on your computer or mobile device can be deleted by using the features specific to your browser.
